RE: Service upon Defendants

Dear MR. D'Alleo,

I sent a total of twenty six (26) Marshal Forms to your office to be served upon the defendants in this case. My family has contacted the Marshals office and they were told that their office has completed service upon ten (10) defendants. It was to my understanding that all of the defendants involved in a civil matter must be served. I am very confused as to why only ten (10) defendants were served with this complaint. Would you please explain to me the reasoning.
